

Games Inspiration

A

Adventure Games Den

FIDENGAM-AD

Kids will have endless fun with the four exciting boardgame panels offering competitive challenges and interactive play. With a vibrant adventure-themed style, cosy seating area the den encourages social interaction and opportunities for shared experiences.

B

Spring Maze

FSSM07

The Spring Maze, an engaging and interactive game where a small group works together to guide the ball through the twisting maze. Perfect for encouraging teamwork and problem-solving, it's an exciting challenge that keeps children entertained.

C

Butterfly Game Station

FIASBUT

The Butterfly Game Station offers a captivating mix of sensory, tactile activities and fun puzzles, keeping kids entertained and engaged for hours. With its beautiful butterfly design, it combines great play value in a compact, eye-catching centrepiece.

D

2 Player RotoGen Reactions Totem

FITMRE2RG

Designed for interactive play, players turn the RotoGen disc to charge and compete in two thrilling games: 'Reactions', where they race to hit as many lights as possible and 'Challenge', where quick reflexes decide the winner. Flashing lights and scores enhance the fun.
