Quick Pick V1

WELCOME

Fahr Industries now offers a stockholding programme with a selection of our most popular, high-demand products. By keeping these items in stock we can reduce lead times and improve project efficiency. This initiative supports urgent requirements, reduces manufacturing delays, offers greater scheduling flexibility, ensures consistent supply of key products and reflects our commitment to responsive customer service. As demand evolves so will our stock range! We'll continue to adapt and expand our selection based on customer needs - providing shorter lead-times helping you offer greater scheduling flexibility, improved planning and supporting you to meet customer deadlines.

Please find below our range of readily available products. Our selection of slides, Multi-Play accessories and playground components are also in stock and ready to order. For more information, please contact our sales office.
